DAUM MUSEUM
of Contemporary Art

Central Missouri is often regarded as a great place to plant roots, raise a family, and join in a diverse range of enriching activities. The Daum Museum of Contemporary Art adds an exceptional cultural dimension to this equation. Through its collections, exhibitions, programs, and publications, the Daum sheds light on the stimulating complexity of contemporary art for young and old members of our community, as well as for visitors who come from across the state and beyond.

The museum could not serve its audiences so well without the support provided by our members. Financial backing from Daum members is central to strengthening and advancing our core activities and vital mission. Membership dues enable us to bring important art and artists to the museum, provide educational experiences for children and adult learners, and sustain free admission for all. The contributions of our members also support the purchase of artwork for the permanent collection, and allow us to shape an appreciation for contemporary art in everyone willing to visit and become engaged.

Members experience the Daum in the best way possible, with invitations to exclusive exhibition previews and opportunities to meet visiting artists and learn, firsthand, about their art and art-making processes. Members also enjoy a discount on all museum publications and participation fees.

Become a member today. Help ensure the future of our community's most artful amenity. Enrich the quality of life in central Missouri for yourself, your family, and your friends.
